Summary of Meeting:

The subcommittee met to review the draft tip-over criterion report for soccer goals under 40 lbs. A member presented an overview of the report's purpose, context, methodology, test results, and underlying assumptions. Members provided feedback, and the presenter will finalize the report before the next meeting. Another member will supply real-world soccer goal measurements to support the report's completion.

CPSC shared incident data related to injuries involving portable soccer goals. The group reviewed and discussed these incidents to identify additional considerations for the development of the new portable soccer goal standard.

Next Steps:

The next meeting is scheduled for July 27, 2026, from 1:00 to 2:00 PM ET via Webex.
