

## **MEETING LOG**

**MEETING TITLE/SUBJECT:** Indoor Air Quality; ASHRAE 62.2 Subcommittee Meeting

**OP PLAN ENTRY:** Indoor Air Quality

**DATE OF MEETING:** May 12, 2023

**LOCATION OF MEETING:** Virtual

**CPSC STAFF FILING MEETING LOG:** Scott Ayers, May 16, 2023

**CPSC STAFF ATTENDEE(S):** Scott Ayers

**NON-CPSC ATTENDEE(S):** Contact ASHRAE for a complete list of attendees.

### **Summary of Meeting:**

Contact ASHRAE for more details on this meeting.

Staff monitored the ASHRAE 62.2 Standard of Ventilation and Acceptable Indoor Air Quality in Residential Buildings subcommittee meeting. The committee discussed its business including a proposed change to exclude buildings that do not prohibit smoking from the scope; harmonization with ASHRAE 62.1 and ASHRAE 170; proposed changes for air-moving devices including portable air cleaners; and accuracy of NO<sub>2</sub>, PM<sub>2.5</sub>, and Formaldehyde measurements.

**Next Steps:** The next committee meeting is scheduled to occur during the ASHRAE Annual meeting in Tampa, FL in June.
