Summary of Meeting:

The team discussed various documents related to pool safety, including the International Swimming Pool and Spa Code (ISPSC) template, the barriers working group from the U.S. National Water Safety Action Plan, and the Safe Kids toolkit. There was a discussion by CPSC staff about the history of CPSC publications for Pool Barriers, ANSI/PHTA Model Code standards and subsequently, the ISPSC. Alan Korn, Abby's Hope, discussed the legislation development of Virginia Graeme Baker Act (VGBA) and the language adopted into the act that eventually became the premise of the state and jurisdiction law.

The group challenges were discussed in implementing a new economic marketplace, and the focus of residential pools on private property. The team also discussed the importance of broad and up-to-date references to standards in their documents, the potential of new barrier products for water safety, and the need for education on pool safety.

Next Steps:

The next meeting to be held on May 22nd at 4 PM Eastern time.
