Re: CPSC Report to ASTM International F15.71 on Liquid Laundry Packet Injuries

Dear Ms. Lynyak:

Please find attached, the file for the fifth in a series of reports to ASTM, prepared by U.S. Consumer Product Safety Commission (CPSC) staff, regarding hospital emergency room visits associated with liquid laundry packets.

We look forward to the opportunity to work with ASTM on these very important consumer safety issues. If you have any questions or need additional information, please contact me at jtark@cpsc.gov.

Sincerely,

James Tark
Mathematical Statistician, Division of Hazard Analysis
Directorate for Epidemiology
