

MEETING LOG

SUBJECT: Meeting of ASTM Infant Bath Tubs Stability Task Group

FY 24 OP PLAN ENTRY: Infant Bath Tubs

DATE OF MEETING: 4/30/2024

LOCATION OF MEETING: Virtual (Webex)

CPSC STAFF FILING MEETING LOG: Zachary Foster

FILING DATE: 5/9/2024

CPSC ATTENDEE(S): Zachary Foster, Zachary Goldstein

NON-CPSC ATTENDEE(S): Contact ASTM for attendee list

Summary of Meeting:

This task group ("TG") was formed to address stability concerns associated with elevated infant bath tubs.

The TG lead was unable to attend this meeting. Therefore, the TG elected to end the meeting and reconvene at a later date.

Next Steps:

The TG will meet at a later date (to be determined). The next subcommittee meeting is currently scheduled for May 21st, 2024.
