RE: ATV Action Plan of Access Motor USA Co. (d/b/a Access Motor)]

This ATV action plan is submitted on behalf of Access Motor USA Co., (referred to as "Access Motor" or Access), Access Motor which intends to become a manufacturer, importer, and/or distributor of All-Terrain Vehicles ("ATVs") in the United States. Access Motor is fully committed to the goal of reducing ATV-related accidents. Access Motor is implementing policies in accordance with the rules set forth by Section 42 of the Consumer Product Safety Act ("CPSA"), 15 U.S.C. § 2089, and 16 C.F.R. Part 1420. The actions outlined below are part of our continuing effort to promote safe and responsible use of our ATVs.

Access Motor agrees that this Action Plan is for its sole use and that Access Motor will not allow third parties to import or distribute ATVs under this Action Plan.

Age Recommendations

Access Motor will only recommend, market, advertise and sell ATVs in accordance with the age category/speed guidelines specified in Section 6 of the ANSI/SVIA 1-2023 Standard for ATVs and any successor standards adopted by CPSC for ATVs (the "ATV Standard"). Access Motor will not recommend, market, or sell adult-size ATVs for the use of persons under the age of 16. Furthermore, Access Motor will not recommend, market, advertise, or sell Y-6+ youth-sized ATVs for the use of persons under 6 years of age; Y-10+ youth-sized ATVs for the use of persons under 10 years of age; or Y-12+ youth-sized ATVs for the use of persons under 12 years of age. Additionally, Access Motor will ensure that its ATVs are appropriately age graded for the intended user population and will consider relevant anthropometric data (such as height and weight of the intended rider) when age grading its ATVs.

Access Motor will ensure that its retailer dealerships - which throughout this Action Plan, means a person to whom an ATV is delivered or sold for purposes of sale or distribution by such person to a consumer, and includes, but is not limited to, both brick-and-mortar storefronts and e-commerce retailers - comply with these above-listed requirements and only recommend, market, advertise and sell ATVs in accordance with the age category/speed guidelines specified in Section 6 of the ATV Standard.

Retailer Dealership Education and Monitoring

1. Scope and Components of Monitoring Program

Access Motor requires that its retailer dealerships verify the intended ATV rider's age prior to selling that rider or the rider's parent or guardian an ATV. Access Motor's warranty registration cards require the submission of the intended rider's name and date of birth to ensure that retailer dealerships do not sell Access Motor ATVs to under-aged riders.

Access Motor will ensure that its retailer dealerships comply with all the requirements of this Action Plan, including:

- The user age recommendation requirements of the ATV Standard;
- The requirements related to notifying ATV purchasers about the availability and importance of free, hands-on ATV training and the monetary incentive for taking such training;
- The requirements to display ATV safety poster(s) at in-store retailer dealerships and online storefronts;
- The requirements to affix and display a Hang Tag on every ATV in-store and provide a copy of the Hang Tag readily available online; and
- The requirements relating to providing the ATV Hang Tag, the ATV Owner's Manual, the ATV Safety Video, and the ATV Safety Alert to ATV purchasers at the point of purchase.

Access Motor will conduct inspections of at least 50% of its retailer dealerships per reporting period (100% of its retailer dealerships each one (1) year), by means of independent, undercover investigators (also known as "secret shoppers") to ensure that these retailer dealerships comply with the above-listed requirements and other safety-related practices during sales or promotional functions (as described in the "Reporting" section below). Access Motor shall conduct on-site inspections for its brick-and-mortar retailer dealerships with physical store locations and will conduct phone inspections and online screenings for its e-commerce retailer dealerships. All retailer dealerships are required to comply with each of the requirements listed above.

2. Notice and Training Program

Within fifteen (15) days of learning of a retailer dealership's non-compliance with any requirements from CPSC, from one of Access Motor's independent investigators, or from any other source, Access Motor will:

- initiate the notice and training procedures outlined in this section;
- notify the retailer dealership of its non-compliance;
- inform the retailer dealership of the operative facts concerning the retailer dealership's non-compliance (such as the name of the retailer dealership's staff and the model(s) of the ATV(s) allegedly recommended during the inspection); and
- demand a cure of the reported violation(s).

Within thirty (30) days after notifying the retailer dealership of its non-compliance, Access Motor will provide on-site training for brick-and-mortar retailer dealership personnel involved in the sale of ATVs, or will provide either on-site or webinar training for e-commerce retailer dealership personnel involved in the sale of ATVs. The training will include, but not be limited to, information concerning the above-listed requirements, the need for compliance with those requirements, and the potential enforcement actions (including termination and non-renewal of the retailer dealership's agreement) that the retailer dealership may incur if non-compliance continues. A record of the training effort will be made by Access Motor and provided to CPSC in Access Motor's bi-annual reporting (as described in the "Reporting" section below).

3. Follow-up Monitoring and Enforcement for Non-Compliance

Within sixty (60) days after completing the above-referenced training for a non-compliant retailer dealership, Access Motor will conduct an undercover, on-site, follow-up inspection for its brick-and motor retailer dealerships or will conduct an undercover, follow-up phone inspection and online screening for its e-commerce retailer dealerships, to determine whether the retailer dealership is complying with the above-listed requirements. If this follow-up inspection reveals evidence of continuing violations, Access Motor will take remedial action against the retailer dealership, up to and including possible termination or non-renewal of the retailer dealership's agreement with Access Motor.

If Access Motor elects not to terminate the retailer dealership, remedial actions will at a minimum include an additional undercover inspection of the retailer dealership. If the additional inspection reveals an additional violation, Access Motor will terminate or decline to renew the retailer dealership's contract. In each instance, Access Motor will inform the CPSC Office of Compliance and Field Operations in advance of any remedial action or disposition, and it will provide CPSC a reasonable opportunity to comment on such action or disposition before it occurs.

4. Reporting

Access Motor will provide a comprehensive report of the results of its retailer dealership monitoring program to CPSC on a bi-annual basis, with reports due to CPSC's Office of Compliance and Field Operations by February 1 and August 1 of each year. These reports will include a list of inspected retailer dealerships (including retailer dealership name and address), the retailer dealership's staff name(s), the date of inspection, the Action Plan criteria evaluated, the retailer dealership's compliance with those criteria, and any subsequent retailer dealership non-compliance corrective actions (including the retailer dealership's notice, training, reinspection, and/or additional enforcement actions taken by Access Motor), along with dates of all follow-up activities and remedial actions. Access Motor will maintain a list of all active retailer dealerships that purchase or sell the Access Motor's ATVs each biannual reporting period. Access Motor will provide its active retailer dealerships list to CPSC, along with the biannual retailer dealerships monitoring reports by February 1 and August 1 each year. CPSC will maintain the confidentiality of these reports in accordance with applicable law. CPSC also reserves the right to request additional information from Access Motor regarding the results of Access Motor's retailer dealership monitoring program.

Access Motor USA Co., Ltd
3500 S Dupont Hwy, Suite 300
Dover, DE. 19901

5. Notice to Retailer Dealerships

Access Motor will notify its retailer dealerships in writing of its retailer dealership monitoring program within fifteen (15) days of the effective date of this Action Plan. The notice will remind retailer dealerships of their ongoing obligations to comply with the above-listed requirements and the consequences of non-compliance. Access Motor will provide CPSC's Office of Compliance and Field Operations a copy of the notice.

Training Program

Access Motor will offer each ATV buyer, and age-appropriate members of the buyer's immediate family, an opportunity to take a free hands-on ATV training course through the All-Terrain Vehicle Safety Institute ("ASI"). Access Motor will pay ASI directly for the training and will offer a full refund of any training fees associated with attending an ASI Program.

After completion of the ASI training, the buyer will qualify for an incentive of \$200. The \$200 incentive for training will include at least \$100 in cash, with the balance offered (at the consumer's choice) as a rebate for already purchased safety equipment or credit towards the purchase of new safety equipment.

The buyer will be informed of the free training offer several different ways. Inside the package containing the Owner's Manual will be a Free Training Certificate. To help ensure that the customer not only has the certificate but also is aware of the free training offer, the salesperson and the customer will be required to fill out an online Warranty Registration form before the ATV leaves the retailer dealership. One of the items which must be checked off by the buyer is an acknowledgement that they have received the offer of free training. In addition, the free training offer will be set out on Access Motor's website and in brochures available from retailer dealerships.

Access Motor will also require warranty information to be completed online by Access Motor's retailer dealerships at the time of purchase. Within two weeks of purchase, Access Motor will send by email and regular mail a reminder card of the training offer and incentives to the purchaser.

The hands-on training offer will be in addition to training information provided to the consumer in the form of Owners' Manuals, Hang Tags, Warning Labels, Safety Alerts, Safety Video, and other media. Access Motor will provide information about the number of completed trainings and incentives distributed in its bi-annual retailer dealership monitoring reports due to CPSC by February 1 and August 1.

CPSC and Access Motor will review and evaluate Access Motor's training program if participation is below 25% of sales during any reporting period, and will assess whether changes should be made to increase the efficacy of the training program.

Access Motor USA Co., Ltd
3500 S Dupont Hwy, Suite 300
Dover, DE. 19901

Information/Education Program

Access Motor will require its retailer dealerships to implement an information/education effort to communicate appropriate age recommendations, the importance of wearing safety gear, and other safety-related information to consumers. The materials and information will be based on all publications produced by the Specialty Vehicle Institute of America ("SVIA") and ASI. The materials will provide safety information and warn children under the age of sixteen of the risks and dangers of operating adult-sized ATVs.

Access Motor will spend at least \$ 25,000 per year on its Information and Education Program.

Access Motor's website will provide online access and the ability for consumers to communicate with Access Motor and others as well as download safety and education information. The website will provide appropriate warnings against the improper use of ATVs and explain the risks associated with ATV use. Users will be able to print the safety and education information for personal use or to share with others.

Access Motor will include its website address on all Owner's Manuals and printed safety messages. The website address and safety message will be included in any Retail Print Circulars published by Access Motor's ATV retailer dealerships.

Access Motor will sponsor a safety ad campaign, including web advertising and post advertising in major off-road publications. The ads will promote safe riding and age recommendations. The ads will continuously run throughout the year.

Access Motor will provide a video with every ATV sold. The video will feature safety themes and messages consistent with the 1988 ATV Consent Decrees.

Access Motor will distribute safety reminders by email and direct mail within a few weeks of retail purchases. The reminders will include safety messages, information about the free ATV training, and incentives for completing that training.

Access Motor will also supply a Access Motor ATV safety poster for all Access Motor retailer dealerships. The standalone in-store poster will deliver a message consistent with the general warning label and age restriction warning label. Access Motor will also supply a pamphlet containing safety information and directions to Access Motor's ATV Safety website. The poster and pamphlet will stress personal and family responsibility in the proper use of ATVs. Access Motor will require retailer dealerships to display SVIA and ASI posters and educational materials at both in-store locations and e-commerce retailer dealerships websites.

Access Motor will utilize social media platforms (including Facebook, Instagram, and Twitter/X) to actively promote safe riding and age recommendations. Access Motor's social media postings shall be consistent with any applicable requirements listed in this Action Plan.

Access Motor USA Co., Ltd
3500 S Dupont Hwy, Suite 300
Dover, DE. 19901

Safety Alerts

Access Motor will provide its retailer dealerships for dissemination to each buyer at the point of purchase a "Safety Alert" containing the same substantive safety information as the Safety Alert at section H.3.b(4)(c) and Appendix J of the 1988 ATV Consent Decrees, including death and injury statistics for ATVs, safety rules, age recommendations, and information concerning the availability of ATV training including details of the incentive program provided by Access Motor.

Owner's Manual

Access Motor Owner's Manual will conform to section 4.21 of the ATV Standard. Access Motor's toll-free number and website will be printed in all Owner's Manuals.

Warning Labels

Access Motor will use all labels as required by Section 4.23 of the ATV Standard which includes general, age recommendation, passenger, tire pressure, and overloading labels and will ensure that all labels conform to the ATV Standard.

Hang Tags

Access Motor will provide hang tags for every ATV distributed. All hang tags will comply with the requirements of section 4.24 of the ATV Standard and will include age recommendations, vehicle category, training availability, and safety messages. Access Motor will ensure that retailer dealerships display the hang tags on new ATVs, and this will be part of Access Motor's unannounced audits of retailer dealerships.

ATV Safety Video

Access Motor will provide to all purchasers of a Access Motor ATV a safety video as described in Section H.3.b(4)(b) and paragraphs II.A and II.C of Appendix I of the 1988 ATV Consent Decrees. The video or how to access the video will be included in the shipping carton when the unit is packaged during production. The video will contain safety messages in accordance with safety messages found on the general ATV warning label. The video or access to the video will be given to the consumer by the retailer dealerships during the sales process. Access Motor will also place a link on Access Motor's website to the safety video.

Toll Free Telephone Hotline

Access Motor will provide a toll free, 24-hour hotline to respond to consumer inquiries as described at Section H.4 of the 1988 ATV Consent Decrees. Agents will be trained to provide safety and training information, including age recommendations. Access Motor further agrees the hotline service will offer to send, free of charge, to every person who calls and requests, copies of the ATV Safety Guide produced for in-store distribution. Access Motor's toll-free number will be printed in all Owner Manuals, Access Motor's ATV websites, and other promotional materials.

Access Motor USA Co., Ltd
3500 S Dupont Hwy, Suite 300
Dover, DE. 19901

Advertising

Access Motor's advertisements and promotional materials will show safety information and will depict ATVs in a manner consistent with safe and responsible use of the product. All riders shown will be wearing helmets and full protective gear. All marketing, promotional, and advertising materials will include the substance of the safety messages that are described in Section J.1 and Appendix K of the 1988 ATV Consent Decree. There will be an age recommendation on every model of Access Motor ATV and no advertising or marketing materials should imply that teenagers or children may ride adult sized ATVs. Access Motor will ensure their retailer dealerships comply with all rules and guidelines in this Action Plan, including the advertising and marketing requirements.

3-Wheel ATVs

Access Motor will not manufacture, market, or sell 3-wheel ATVs.

Participation in ASI's Safety Program

Access Motor shall be a participating/member company of ASI's ATV Safety Program. If at any time the Access Motor is no longer a participating/member company of ASI's Safety Program, and therefore no longer able to access ASI's training and safety materials and services, Access Motor will cease to import and distribute ATVs in commerce until Access Motor is able to provide equal or greater materials and services as described herein and these materials and services are approved by CPSC.

Voluntary Standards

Access Motor will participate in the ongoing efforts to update and revise the ATV voluntary standard. Potential technical issues identified by CPSC will be discussed and considered in good faith as part of those efforts. Access Motor will commit to advance ATV safety, including through future potential design and feature changes, that will improve safety.

Advance Notice of Changes

Access Motor intends to maintain this Action Plan indefinitely. Access Motor will provide information about these activities upon receipt of reasonable requests from the CPSC. Access Motor will provide CPSC a 60-day notice of its intention to terminate or materially change any commitment under this Action Plan.

Additional Assurances

In order to ensure the continued effectiveness of this ATV Action Plan, Access Motor agrees to the following:

1. Access Motor agrees to cooperate with CPSC regarding any alleged violations or defect determinations and to correct safety issues identified by CPSC. This includes providing responses to

CPSC communications (Notice of Violation, Preliminary Determination letter, etc.) within the timeframes allotted, and correcting deficiencies within the agreed-upon timeframes.

2. Access Motor will report if the individual responsible for implementing its ATV Action Plan changes, including the name and compliance experience of the individual.
3. Access Motor agrees that it is subject to routine announced and unannounced compliance inspections by CPSC. Access Motor agrees to cooperate with any CPSC inspection or inquiry by providing all requested information in a reasonably timely manner.

Amendment and Termination Procedures

If Commission staff determines that Access Motor's approved ATV Action Plan is no longer effective or adequate, Commission staff may take certain action, including but not limited to notifying Access Motor that its ATV Action Plan must be amended to address the effectiveness or adequacy of the plan. With that notification, Commission staff shall provide Access Motor with the text of any proposed amendment. Access Motor and Commission staff must reach agreement on the proposed amendment within 30 calendar days of the notification, unless Commission staff grants an extension for good cause. If Access Motor and Commission staff fail to reach an agreement within the designated timeframe, then Commission staff may recommend termination of the Access Motor Action Plan.

Additionally, the Commission, after Commission staff has provided the Access Motor with notice and an opportunity to respond, may terminate the ATV Action Plan, if:

- (i) Access Motor fails to comply with the obligations of this ATV Action Plan,
- (ii) Commission staff determines that Access Motor can no longer comply with the obligations of this ATV Action Plan,
- (iii) Access Motor fails to adopt a requested amendment within the timeframe specified by Commission staff,
- (iv) the ATVs imported or distributed under this Action Plan fail to comply with each applicable provision of the ATV Standard, or contain a defect which creates a substantial risk of injury to consumers,
- (v) Access Motor fails to comply with 15 U.S.C. § 2068(a)(4) to furnish information required by 15 U.S.C. § 2064(b), or
- (vi) Access Motor materially misrepresents to any officer or employee of the Commission Access Motor's compliance with the terms of this Action Plan, the compliance of the ATVs imported or distributed under this Action Plan with each applicable provision of the ATV Standard, or the existence of a defect in the ATVs imported or distributed under this Action Plan which creates a substantial risk of injury to consumers.
- (vii) Access Motor does not manufacture, import, or distribute ATVs subject to this Action Plan for a three-year period.

Access Motor may not manufacture, import, or distribute any ATV in the United States under this Action Plan after receiving a written notice of such termination. Failure to cease manufacture, importation, or distribution in United States commerce of any ATV under this ATV Action Plan after receipt of notice of termination is a prohibited act under section 19(a)(1) of the CPSA, 15 U.S.C. §2068(a)(1).

If Access Motor's action plan is terminated pursuant to the above Amendment and Termination Procedures section, any subsequent ATV Action Plan application to the Commission involving any of Access Motor's corporate officers or employees who were previously involved in such termination or CPSC non-compliance, may result in Commission staff's recommendation that the Commission deny approval of the newly proposed Plan.

Access Motor hereby agrees to take all of the actions to promote ATV safety set forth in this Access Motor ATV Action Plan, and further agrees to fulfill each of the undertakings set forth in this Plan. Access Motor understands that any failure to perform the actions, or fulfill the commitments set forth in the Plan may result in termination of the Plan.

Sincerely,

Thomas Deredec
President, Managing Director
Access Motor USA Co.

PARENT COMPANY AGREEMENT

In consideration for the Commission's acceptance of this Action Plan, Access Motor Ltd. hereby guarantees that it will provide all funding and financial support necessary to ensure that Access Motor undertakes every action to promote ATV safety as set forth in this Action Plan, and further agrees to ensure that Access Motor fulfills each of the requirements set forth in this Action Plan. Access Motor Ltd. further guarantees to provide all funding and financial support necessary if Access Motor is subject to any enforcement, civil penalty, or remedial actions for violations of this Action Plan, violations of Section 42 of the CPSA, or for violations of any other statutes or regulations enforced by the Commission.

If, at any time, Access Motor represents to the Commission that it does not have funds adequate to fulfill every commitment under this Action Plan, or funding to resolve any enforcement, civil penalty, or remedial actions, Access Motor Ltd. agrees to provide such funding. In the event of any dispute regarding these terms or this Action Plan, Access Motor Ltd. agrees to submit to the jurisdiction of the United States Courts.

Sincerely,

Huang Mei Ching
CEO/President
Access Motor Ltd.
