Safety at Home

Art Supplies

Let your kids draw, paint and create safely!

Protect them from toxic ingredients by making sure their art supplies have this marking: “CONFORMS TO ASTM D–4236”

If they don’t have the marking, don’t use those art supplies.

Report product incidents and injuries to CPSC: SaferProducts.gov (800) 638–2772 or (301) 595–7054 (for deaf or hard of hearing individuals and/or individuals with speech and language disorders)
