Is Your Pool Reopening?

Be Sure to Pool Safely!

Safety Tips to Prevent Drownings:

Always watch kids in and around the water – and designate a water watcher.

Teach children to swim, or sign them up for swim classes.

Properly fence all pools at least 4-feet in height around the perimeter of the pool/spa. Use a self-closing and self-latching gate.

Stay away from drains and other pool openings.

Know life-saving skills, including CPR for adults and kids.
