

December 23, 2024

Mr. Andrew G. Kireta Jr.  
President  
ASTM International  
100 Barr Harbor Drive  
PO Box C700  
West Conshohocken, PA 19428

Dear Mr. Kireta:

Thank you for your letter of August 26, 2024, notifying the U.S. Consumer Product Safety Commission (CPSC), about publication of a revised standard, ASTM F2236-24, *Standard Consumer Safety Specification for Soft Infant and Toddler Carriers*.

The Commission has accepted the revised voluntary standard and has published a direct final rule in the *Federal Register* to update the Safety Standard for Soft Infant and Toddler Carriers, 16 C.F.R. part 1226, to incorporate by reference ASTM F2236-24.

The effective date of the standard is February 22, 2025. The *Federal Register* notice was published on November 20, 2024, and is available at ([Federal Register :: Safety Standard for Soft Infant and Toddler Carriers](#)). I have also enclosed a copy of the *Federal Register* notice.

Under the procedures for read-only access developed by ASTM, CPSC requests that a read-only version of ASTM F2236-24, *Standard Consumer Safety Specification for Soft Infant and Toddler Carriers*, be made available to the public in the ASTM Reading Room ([www.astm.org/READINGLIBRARY/](http://www.astm.org/READINGLIBRARY/)) as of February 22, 2025.

Thank you for your assistance in improving consumer product safety.

Sincerely,

Zachary Foster

*Project Manager for Soft Infant and Toddler Carriers*  
*Directorate of Engineering Sciences, Division of Human Factors*

Enclosure(s): *Federal Register* Notice
