### **SUPPLEMENTARY INFORMATION:**

The PFCSA requires the Commission to promulgate a final rule to require flame mitigation devices in portable fuel containers that impede the propagation of flame into the container. 15 U.S.C. 2056d(b)(1)-(2). However, the Commission is not required to promulgate a final rule for a class of portable fuel containers within the scope of the PFCSA if the Commission determines that:

- there is a voluntary standard for flame mitigation devices for those containers that impedes the propagation of flame into the container;
- the voluntary standard is or will be in effect not later than 18 months after the date of enactment of the PFCSA; and
