24-A-00001	10/17/2023	Cunningham Swaim, LLP	Appeal	I understand that the CPSC has refused to release information or records derived from and based on information submitted pursuant to section 15(b) of the CPSA. However, under paragraph 10 of the Agreed Protective Order in place this suit, documents produced by a third party, such as the CPSC, can be designated as confidential and protected under the Agreed Protective Order. That is, when the parties, including Wing Enterprises, Inc., agreed to the protective order, they purposefully put in place a mechanism for the CPSC as a third party to produce documents under the Protective Order. I am specifically asking that the CPSC produce the documents under the Agreed Protective Order, if the CPSC believes that the documents need to be protected.	(b)(7)(A)	Completely Affirmed	11/15/2023

The contractors will draft a report of their findings, titled the ADP Market Report. The contractors will complete their work in July 2023, at which time the ADP Market Report can be made available."
