**BALLOT VOTE DUE** Tuesday, August 9, 2022

Section 743(a) of the Consolidated Appropriations Act, 2010 (Consolidated Appropriations Act), Public Law No. 111-117, requires agencies to submit to the U.S. Office of Management and Budget (OMB) an annual inventory of service contracts awarded or extended in the fiscal year, and describes the information that should be included in the inventory. Section 743(c) of the Consolidated Appropriations Act requires agencies to “publish in the *Federal Register* a notice that the inventory is available to the public.”

The OMB recently completed its review of agency submissions for the FY 2020 Service Contract Inventory reporting cycle and directed agencies to post the analysis of the FY 2019 inventory and a link to the FY 2020 government-wide service contract inventory on each agency’s website. Accordingly, the Office of the General Counsel has prepared the attached draft *Federal Register* notice to comply with section 743(c) of the Consolidated Appropriations Act. The notice states that OMB posted for public access a consolidated government-wide Service Contract Inventory for FY 2020 at: <https://www.acquisition.gov/service-contract-inventory>, and CPSC’s FY 2020 Inventory is available on that website. Additionally, the draft notice informs that CPSC’s Office of Procurement posted the required analysis of the FY 2019 Inventory, and the plan for analysis of the FY 2020 Inventory, on CPSC’s website at: <https://www.cpsc.gov/Agency-Reports/Service-Contract-Inventory>.
