20	26-F-00012	10/21/2025	7784	FOIA	Hello, I was issued an LOI on August 6th, 2025 from DIA after transferring jobs. I'm still awaiting the LOI to be transferred and handled by DOD-CAF. However, I was told by an FSO that there was a "Derogatory Information" notification listed on my status from DIA that is also holding up the LOI. But I was not notified by DIA of this issue. Can you please provide any details concerning this "derogatory information" and how I can potentially clear this up? This is affecting my clearance, and me having an LOI is taking awhile to process. I have been in constant communication with my FSO, all paperwork to reprocess everything was submitted on August 13th 2025, including an expedited request that was accepted, however I have not heard back. I am on the verge of being homeless due to the inability to secure a job due to this LOI. Can you please assist with providing any insightful information regarding this issue or process? 34	26-F-00051	11/18/2025	FOIA University	FOIA	FOIA Request - FOIA Technology, eDiscovery, and Support Services Costs (FY 2022-Present) Dear FOIA Officer, I hope you are doing well. Thank you for the essential work your office performs every day to uphold the FOIA mission. By way of introduction: I am a long-time FOIA practitioner and educator, and the founder of FOIA University (www.foiauniversity.org), a noncommercial public-education initiative focused on helping the public understand how FOIA programs operate and how transparency is supported across government. FOIA University is preparing a Sunshine Week 2026 report titled "The Cost of Transparency in America." To support that effort, I respectfully request records sufficient to show the agency's FOIA-related technology, eDiscovery, and FOIA contractor support costs for FY 2022-Present. Checklist of Requested Records: 1. FOIA Case Management & Redaction Technology (COTS or Internal) ? Contracts, license agreements, purchase orders, or modifications (FY 2022-Present) for FOIA case management, redaction, intake, workflow, or tracking systems used. Most frequently, this will simply be a contract for a product like FOIAXpress, Feith's Workbench, or another Commercial off the Shelf (COTS) product. If home-grown/internal systems are used, please provide documentation showing development, maintenance, or hosting costs. If internal costs are not separately tracked, a high-level good faith estimate is acceptable. We are attempting to identify the total cost of operations and this information is not captured in DOJ OIP reporting. 2. eDiscovery Tools Used by the Agency ? Contracts, license agreements, or purchase orders for all eDiscovery systems. (FY 2022-Present). These are increasingly being used in FOIA programs. 3. FOIA Support Services Contracts ? Contracts providing FOIA case processing, backlog reduction, search support, or litigation support. Any FOIA training or specialized contractor support funded externally If you have additional records that would help illuminate the total cost of transparency at your organization, we'd be delighted to consider them as well.
