48	26-F-00219	02/05/2026	-	FOIA	I would like to receive a copy of all of my records/information that can be used to make Global Entry/TSA eligibility decisions. Background: Born in India, lived in the US since Dec 1994… got US citizenship approximately 10 years ago. Global entry approved 4.5 years ago. Expiring in July of 2026…so went ahead and applied for renewal end of Nov 2025. Flying back in from Canada Jan 11th and thought I would check status and see if I was eligible to do the interview while I was at the airport. Logged into my account, to my surprise I saw that I was auto approved on Dec 24th. Breezed through TSA & Customs. Only purchase was chocolates in the duty free shop. No issues. Got home…had a physical card waiting for me in the mail. Today Feb 4th, got an email that my GE was revoked. Zero explanation. No arrests ever, last speeding ticket was over 15 years ago, no fire arms, no drugs, no debt, credit score 850… pay taxes… no illegal associations, no participation in any political rallies or protests. Would like to understand what in my record caused this so that I can take the necessary steps to have it corrected.	D(7)	Other Reasons - Not an agency record	02/24/2026
