	26-F-00426	06/12/2026	Panish Shea Ravipudi LLP	FOIA	Recalls at issue. This request concerns the following CPSC recalls (please confirm the corresponding CPSC recall numbers in your response): •The June 18, 2020 recall of Lochinvar, A.O. Smith, and State ProLine condensing residential boilers, combi boilers, and packaged systems for a deteriorating flue grommet that can allow the boiler to emit carbon monoxide (serial range 103475818-115078306); •The November 2, 2023 recall of Lochinvar, A.O. Smith, and State Industries condensing residential boilers, combi boilers, and packaged systems for a flue collector that can crack and allow the boiler to emit carbon monoxide (serial range 125325485-134830284); and •The April 3, 2008 recall (Release #08-241) of A.O. Smith and State 75-gallon natural and propane gas water heaters for fire and carbon-monoxide hazards (models FCG-75 300, FCG-75 301, GS6 75 XRR S, GS6 75 CRR S). Records requested: •All reports of harm, incident reports, and consumer complaints submitted to or maintained by CPSC concerning carbon-monoxide emission, flue-grommet or flue-collector failure, or venting failure in the recalled boilers/water heaters, including reports published or submitted through SaferProducts.gov. •All reports submitted by Lochinvar, A.O. Smith, or State Industries pursuant to Section 15(b) of the Consumer Product Safety Act, 15 U.S.C. § 2064(b), relating to these products, including the initial report and any supplements. •All correspondence and communications between CPSC and Lochinvar, A.O. Smith, or State Industries (or their counsel or agents) relating to the carbon-monoxide hazard, the investigation, and the recalls. •The Corrective Action Plan(s) and any Fast Track Recall submissions, recall-effectiveness reports, and monthly progress reports for each recall. •All engineering analyses, test reports, failure analyses, root-cause analyses, and technical data submitted by the manufacturer(s) to CPSC, or generated by CPSC, concerning the cause of the carbon-monoxide emission (including the flue grommet and flue collector). •All CPSC staff memoranda, evaluations, hazard or epidemiological analyses, and Defect Investigation ("DI") or In-Depth Investigation ("IDI") reports relating to these products and incidents. •Any records reflecting injuries, deaths, or medical treatment associated with carbon-monoxide exposure from these products. •Any records reflecting earlier or related reports, recalls, or investigations involving carbon-monoxide emission from Lochinvar, A.O. Smith, or State Industries condensing boilers or gas water heaters.	-	-	-

	26-F-00430	06/17/2026	-	FOIA	Dear FOIA Officer: Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I respectfully request the following records held by the U.S. Consumer Product Safety Commission: (1) A custom extract from the National Electronic Injury Surveillance System (NEISS) database for all pool and spa-related injury cases recorded from January 1, 2000 through the most recent available date, filtered to or tagged with a facility or setting designation corresponding to health clubs, fitness centers, gymnasiums, athletic clubs, or private membership facilities with indoor pools. If NEISS does not use a facility-type field that directly identifies these settings, please provide the full pool/spa extract with all available setting, location, or product-code fields so I may identify relevant cases. (2) Any internal CPSC analyses, reports, or datasets that examine pool and spa injuries specifically in health club, gym, or adult fitness facility settings. I am willing to accept records in electronic format (CSV, Excel, PDF) at no charge. I request a fee waiver under 5 U.S.C. § 552(a)(4)(A)(iii) on the grounds that disclosure is in the public interest and will inform public health policy analysis regarding aquatic safety regulation. This request is not for commercial purposes. If any portion of the responsive records is exempt under 5 U.S.C. § 552(b), please specify the exemption, produce non-exempt portions, and identify records withheld in full. Please provide an estimated date of response at your earliest opportunity. Respectfully, [redacted] (Date Range for Record Search: From 01/01/2000 To 06/16/2026)	-	-	-

					To FOIA Officer: I am a researcher currently conducting a longitudinal study on the intersections of federal strategic planning and public health outcomes. Pursuant to the Freedom of Information Act, to support my analysis of the study, I am requesting the following public administrative records for the agency's last three Strategic Planning cycles. 1. Public Comment Records: Copies of written stakeholder feedback received during the formal input periods for these three Strategic Plan cycles: • 2016 - 2020 • 2023 - 2026 • 2026 - 2030 2. Meeting/Hearing Minutes: Copies of the minutes or summary reports from any public hearings or townhall meetings held specifically to discuss the draft versions of these three Strategic Plans: • 2016 - 2020 • 2023 - 2026 • 2026 - 2030 3. Notice Documentation: Copies of the public notices (e.g., Federal Register Notices) used to announce the comment periods and hearings for these three Strategic Plans: • 2016 - 2020 • 2023 - 2026 • 2026 - 2030 Fee Waiver: I request that all fees be waived as this request is made for educational/scientific research purposes and is not for commercial use. To minimize administrative burden and costs, I am requesting all records be provided in digital format (e.g., PDF). If the fees cannot be waived, please notify me before proceeding. I authorize up to \$25 for any necessary research fees, though I anticipate these will be waived under my researcher status. Processing & Delivery: I am not seeking expedited processing, as this is part of a long-term comparative study. Please deliver the digital copies to the email address associated with this MuckRock request. I look forward to your response within the statutory window of 20 business days. Sincerely, [redacted]	-	Granted in Full	05/08/2026
