(800) 638-2772
or (301) 595-7054
(for deaf or hard of hearing individuals and/or individuals with speech and language disorders)

Safety at Home

Hair Dryers

Don't have an immersion-protection device on your hair dryer? Don't use it. Report the hair dryer to CPSC at www.SaferProducts.gov.

Immersion-protection devices are *required*. They protect you from electrical shock and electrocutions.
