LOCATION OF MEETING: Minneapolis, Minnesota

CPSC STAFF FILING MEETING LOG: Greg Ota

FILING DATE: 07/29/2026

CPSC ATTENDEE(S): Greg Ota

NON-CPSC ATTENDEE(S): Contact NOCSAE for list of non-CPSC attendees.

Summary of Meeting:

Contact NOCSAE for more details related to this meeting.

This was a meeting focused on information about topics for future work, certifying helmet accessories, revisions and modifications related to NOCSAE's safety standards.

CPSC staff monitored the meeting for general updates and information related to sports equipment safety and performance. This meeting discussed metrics to measure a football helmet's performance in the mitigation of brain trauma, topics for future work, the process of certifying helmet accessories, reviewing deaths related to lacrosse and possible manufacturer changes to equipment to address the identified hazard. Updates on equipment design, revisions and modifications to other standards were also discussed.

Next Steps:

Staff plans to attend the next scheduled standards meeting in Litchfield Park, AZ on 02/13/2027.
