This meeting was led by the Chair of the task group, Jarrod Kuhn, Sterno. A summary of the meeting is below.

The task group reviewed the changes to the draft standard from the July 21, 2026, meeting, including changes to section 9 on the labeling requirements. The task group suggested further refinements to the labeling requirements. The Chairman will draft a summary of all the negatives and comments received and addressed as well as circulate the draft standard and summary of the changes for the group to review before sending the draft standard to ballot.

Next Steps:

The next scheduled meeting, if any, is TBD.
