

WANTED:

MICROMOBILITY FIRE REPORTS

FIRE DEPARTMENTS: REPORT INCIDENTS TO CPSC

Report all incidents involving
micromobility products (e-bikes,
e-scooters and hoverboards) to
SaferProducts.gov

For products that were NOT modified using custom or "homemade" batteries or electrical components, and were NOT repaired by an unauthorized repair center, also contact your local CPSC Product Safety Investigator.

CPSC IS AWARE OF

232 

**micromobility fires
or overheating incidents,**
resulting in

25
deaths

From January 1, 2021
through September 14, 2023
