Summary of Meeting:

This was the sixth meeting of CMP17 TG 1 to discuss public inputs (PIs) for the First Draft of the 2026 edition of the *NEC*. TG 1 is covering PIs under Article 422, Appliances. All the actions of the TG are preliminary, to be presented for discussion and action by the entire CMP17 in January 2024 at the First Draft meetings. At this 11/20 meeting, the TG continued discussion of several public inputs to 422.5(A) on GFCI protection requirements for appliances. There was substantial discussion on possible restructuring of 422.5 to improve clarity.

Next Steps:

The next meeting is scheduled for 11/27/2023.
