

You never know which safety step will save a life...*until it does*

Stay Close, Be Alert and Watch

- Always watch your children and never leave them unattended
- Keep children away from pool drains, pipes and other openings
- Have a phone close by at all times
- If a child is missing, check the pool first
- Share safety instructions with family, friends and neighbors

Learn and Practice Water Safety Skills

- Learn to swim
- Know how to perform CPR on children and adults
- Understand the basics of life saving so that you can assist in a pool emergency
