(Briefing package dated June 13, 2018, OS No. 4473)

### DECISION:

The Commission voted unanimously (4-0) to approve publication in the *Federal Register*, as drafted, a final rule concerning baby changing products. Pursuant to section 104 of the Consumer Product Safety Improvement Act of 2008, the draft final rule would incorporate by reference the voluntary standard, ASTM F2388-18, *Standard Consumer Safety Specification for Baby Changing Products for Domestic Use*, as the mandatory federal safety standard for baby changing products. Additionally, the draft final rule would amend the Commission's regulation regarding third party conformity assessment bodies to include the mandatory standard for baby changing products in the list of notices of requirements in 16 C.F.R. part 1112.
