Record of Commission Action

Representing the Commission:                      Acting Chairman Peter A. Feldman

ITEM:

ASTM's Notice of a Revised Voluntary Standard for Bassinets and Cradles

DECISION:

The Acting Chairman, on behalf of the Commission, accepted ASTM F2194-25 as the new mandatory standard for bassinets and cradles and approved publication of the *Federal Register* notice for a direct final rule that incorporates by reference ASTM F2194-25 into 16 C.F.R. part 1218, Safety Standard for Bassinets and Cradles, and amends a reference to part 1218 in 16 C.F.R. part 1241, Safety Standard for Crib Mattresses.
