(Briefing package dated January 19, 2022, OS No. 0109)

### DECISION:

Petition CP 21-2 was submitted by the Humane Society of the United States and the Humane Society Legislative Fund, and requested that the Commission initiate rulemaking under sections 7 and 9 of the Consumer Product Safety Act to establish warning requirements regarding the risk to consumers of contracting *Campylobacter* infection from contact with commercially bred dogs.

Chair Hoehn-Saric and Commissioner Baiocco voted to deny the petition and direct staff to submit a draft denial letter for Commission vote.

Commissioner Feldman voted to take other action as follows:

- “1. Determine that the request does not satisfy the criteria set forth in 16 C.F.R. §§ 1051.5(a) and 1051.6(a) because the request addresses a topic outside the jurisdiction of the Commission.
2. Pursuant to 16 C.F.R. §1051.6, forward any documents filed with the Commission in connection with this request to the appropriate agency.”

Commissioner Trumka voted to grant the petition and direct staff to initiate rulemaking.
