ITEM

Request for Approval for Program Manager to Participate in Voluntary Standards Activity

(Briefing material transmitted by the Office of the Secretary on August 2, 1979)

DECISION

The Commission's regulation on membership and participation in voluntary standards activities (16 CFR Part 1031) currently prohibits employees holding certain specified positions, including that of program manager, from being involved in voluntary standards activities.

Based upon the information presented in the above-referenced material, the Commission voted to not allow the program manager for the Electrical Hazards Program to be involved on a limited basis in monitoring the voluntary standard development activity for CB antennas.
