ITEM

Request of Schwinn Company for Background Data on Bicycle Regulations (39 FR 26100, July 16, 1974)

(Memo of September 4, 1974, to Commissioners from B. Pitkin.)

DECISION

Release memo of February 28, 1974, from OGC to Commission. The staff memorandum raised questions concerning whether the bicycle regulations, which cover bicycles used by persons of all ages, could sustain a court challenge if promulgated under FHSA. It was decided to release the memorandum notwithstanding its eligibility for withholding as an intra-agency memorandum dealing ultimately with enforcement activity.
