Paperwork Reduction Act Notice: Agency Information Collection Activities; Proposed Collection; Comment Request; Investigation of Smart Toys and Additional Toys Through Child Observations
(Briefing package dated July 26, 2023)

DECISION:

The Commission voted unanimously (4-0) to approve publication of a *Federal Register* notice as drafted, requesting public comment on a new proposed collection of information. The proposed collection is associated with the CPSC's Division of Human Factors' investigation, through child observations and caregiver questionnaires, of smart toys and additional toys (take-apart vehicles, musical instruments, figurines, plush toys with electronic components, and manipulatives) to consider children's ability to interact with toys as the manufacturer intended. This investigation will assist staff to update CPSC Staff's (2020) Age Determination Guidelines.
