STOP USING “BABY LOUNGERS;” THEY’RE UNSAFE FOR SLEEP AND CAN LEAD TO DEATH

December 21, 2023

I applaud the Consumer Product Safety Commission’s action today to warn parents and caregivers about “Baby Loungers” due to the risk of death they pose for sleeping infants.¹

CPSC issued a Notice of Violation to the seller, Poetint002 of China. If you have one in your home or if you know someone who does, dispose of them before tragedy strikes.
