TERMS AND CONDITIONS
CPSC-B-09-0009/CALL 0009

1. DESCRIPTION OF SERVICES:

a) The contractor shall provide all installation, equipment, labor, materials and services to install cable at the Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland.

b) The contractor shall install one (1) Cat 6 cable to 95 workstations, (6) Cat 3 voice cables for analog devices (such as fax, conference room phones); install fiber and copper tie for voice and data applications and install blank plates over unused outlets. The user data cables shall be terminated using Category 6 data jacks. A new floor plan with cable locations will be provided by CPSC. Flush mount jacks shall be used for walls and surface mount boxes will be used for cubes and any other non-wall locations. No existing ladder rack will be used for cable runs. The exception will be cables inside the computer room and LAN closet where the cable trays are to be left intact.

c) The contractor shall tone, test and label all cables as well as provide CPSC a floor plan with all data cable locations and numbers.

2. PERIOD OF PERFORMANCE:

a) The performance of this BPA call shall be over a period of four (4) months and shall be completed no later than 30 September 2012. The schedule for this project may change during the course of the project. Therefore the dates used in this document are tentative.

3. PLACE OF PERFORMANCE:

a) All work shall be associated with this call shall be performed at the following location:

U.S. Consumer Product Safety Commission
Headquarter Office
5th Floor - South
Bethesda, Maryland 20814

4. LC 5 CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (COTR)

a. Contract:

Name: Dina Demas and/or Ron Welch

Division: Office of Facilities Services

Telephone: 301-504-7554

b. The CPSC Project Officer is responsible for:

b. The CPSC COR is responsible for:

(1) monitoring the Contractor's technical progress, including surveillance and assessment of performance, and notifying the Contracting Officer within one week when deliverables (including reports) are not received on schedule in accordance with the prescribed delivery schedule.

(2) performing technical evaluation as required, assisting the Contractor in the resolution of technical problems encountered during performance; and

(3) inspection and acceptance of all items required by the contract.

c. The COR is not authorized to and shall not:

(1) make changes in scope of work, contract schedules, and/or specifications to meet changes and requirements,

(2) direct or negotiate any change in the terms, conditions, or amounts cited in the contract; and

(3) take any action that commits the Government or could lead to a claim against the Government.

d. A clear distinction is made between Government and Contractor personnel. No employer-employee relationship will occur between government employees and contractor employees. Contractor employees must report directly to their company (employer) and shall not report to Government personnel.

5. LC 13 INSURANCE

a. In accordance with the Federal Acquisition Regulation (FAR), Subparts 28.301 and 28.307-2, and Clause 52.228-5 of this contract entitled "Insurance-Work on a Government Installation," the Contractor shall at its own expense provide and maintain during the entire performance period of this contract at least the kinds and minimum amounts of insurance set forth below:

(1) Workers' compensation and employer's liability. Contractors are required to comply with applicable Federal and State workers' compensation and occupational disease statutes. If occupational diseases are not compensable under those statutes, they shall be covered under the employer's liability section of the insurance policy, except when contract operations are so commingled with a Contractor's commercial operations that it would not be practical to require this coverage. Employer's liability coverage of at least \$100,000 shall be required, except in States with exclusive or monopolistic funds that do not permit workers' compensation to be written by private carriers.

(2) General liability. The Contractor shall have bodily injury liability insurance coverage written on the comprehensive form of policy of at least \$500,000 per occurrence.

(3) Automobile liability. The Contractor shall have automobile liability insurance written on the comprehensive form of policy. The policy shall provide for bodily injury and property damage liability covering the operation of all automobiles used in connection with performing the contract. Policies covering automobiles operated in the United States shall provide coverage of at least \$200,000 per person and \$500,000 per occurrence for bodily injury and \$20,000 per occurrence for property damage. The amount of liability coverage on other policies shall be commensurate with any legal requirements of the locality and sufficient to meet normal and customary claims.

(4) Insurance Clause. The Contractor shall present evidence of insurance coverage in Compliance with (1), (2) and (3) above within fifteen calendar days of award.
