Addendum to
Terms and Conditions

1.8.7.1 Insufficient Funds

It is the clients' responsibility to monitor the status of funds for services requested from the MSO. Should the client expend all funds committed to the IA, the MSO will notify the client prior to depletion date, requesting that the client submit additional funding via the Financial Addendum. If the client does not apply additional funds that allow for the current MSO billings to be paid promptly as rendered, the MSO reserves the right to begin suspending the PIV accounts and privileges of the client agency's role holder positions. Suspension of role holders will begin 5 days following the MSO submission of IPAC information to the GSA Office of Finance. Should the client fail to provide an Addendum after 30 days following the first missed IPAC deadline, the MSO reserves the right to begin the process of out-boarding the client via the suspension of all PIV accounts held by the client
