

CPSC-1-12-0011
Interagency Agreement
between the U.S. Consumer Product Safety Commission
and the Federal Law Enforcement Training Center (FLETC)

1. Project Title: Introduction to Criminal Investigation Training Program (ICITP) Course
2. Description of Services: The servicing agency, Federal Law Enforcement Training Center, shall present a training course to the U.S. Consumer Product Safety Commission (CPSC) Office of Field Investigations investigators designed to acquaint the non-criminal federal government regulatory investigator with a federal criminal investigation.
3. Background and Objective:
 - a. Background and Purpose: The U.S. Consumer Product Safety Commission Office of Compliance and Field Operations employs approximately 100 field investigators. The Consumer Product Safety Improvement Act of 2008 included substantially increased civil and criminal penalties for prohibited acts enforced by the CPSC. As a result, the field investigators expect to see an increase in their involvement in the development of criminal cases leading to criminal indictment and federal prosecution. While many of the investigators are former local, state or federal law enforcement officers, others have no criminal investigative experience. This is a training area that the CPSC would like to focus on directly.
 - b. Objective: The objective of the course is to acquaint the non-criminal federal government investigator/ student with the procedures, techniques, legal concerns, and general issues associated with federal criminal investigations.
4. Statement of Work:

The Federal Law Enforcement Training Center shall furnish all necessary personnel, research documents, materials, meals, lodging, facilities and services for the nine (9) day investigator training course.
5. Period of Performance:
 - a. This agreement shall be effective from the date of signature by both parties and shall remain in effect indefinitely until terminated by either party.
 - b. Funding for initial training in FY-2012 is provided in this agreement. Future training may be funded by modifications to this agreement.
6. Modification and cancellation: This agreement may be modified by mutual consent of both parties or canceled upon 60 days advance written notice by either party.

7. Delivery Requirements:
