STATEMENT OF WORK

NATIONAL ELECTRONIC INJURY SURVEILLANCE SYSTEM (NEISS)

1. DESCRIPTION OF SERVICES

The Contractor shall provide the Consumer Product Safety Commission (CPSC) with National Electronic Injury Surveillance System (NEISS) reports as specified in the contract line items and in accordance with the Performance Work Statement. These reports shall be coded and transmitted to CPSC via a microcomputer supplied by the Government.

2. SERVICES AND PRICES

The Contractor shall provide pricing in accordance with Block 20, Schedule of Supplies/Services for all contract line item numbers (CLINS) 0001-0004.

3. CONTRACT TYPE

This is a fixed price, not to exceed contract for injury surveillance reports. It includes a base period and one option year.

4. BACKGROUND

- a. The U.S. Consumer Product Safety Commission (CPSC) administers the Consumer Product Safety Act, the Flammable Fabrics Act, the Federal Hazardous Substances Act, the Poison Prevention Packaging Act, the Refrigerator Safety Act, and the Consumer Product Safety Improvement Act.
- b. The primary purpose of these acts is to protect the public against unreasonable risks of injury or death associated with consumer products. The Consumer Product Safety Act specifically states that the Commission will conduct research, studies, and investigations on the safety of consumer products and offer training in product safety investigation and test methods.
- c. The Commission collects information on injuries associated with consumer products by several data systems, including the National Electronic Injury Surveillance System (NEISS). This system consists of statistically selected hospitals that report information on product-associated emergency room cases to the Commission on a daily basis. Most hospitals use an employee to identify and code the relevant information and to transmit it electronically to CPSC via a microcomputer provided by CPSC. Other hospitals elect to allow a third party to identify, code and transmit the data. The data collected from the hospitals are compiled and provided to Commission analysts to identify consumer products that are associated with serious and/or prevalent injuries that are treated in hospital emergency rooms. Since these data are collected from statistically selected hospitals, estimates can be projected to the national population as to the number and type of injuries involving individual consumer products. Manufacturers, distributors, retailers and consumers, as well as the Commission and other government agencies, use such data to assess the safety of consumer products, and to determine which products require further in-depth study to identify specific hazard patterns that may be

associated with them. (Information collected from the emergency room records does not routinely include victim identification data.)

- d. When a product is selected for more in-depth study, the Commission supplements the basic emergency room data collected through the NEISS with a follow-up inquiry on selected injuries. In such a case, the victim's name, address and telephone number is obtained by the Commission from the hospital. The victim is contacted and, with his/her consent, information about the product's use and causal factors is obtained. (Patient identification is destroyed by the Commission when the inquiry is completed.) By combining this information with the basic emergency room surveillance data, the Commission can better understand consumer product-related accidental injuries and evaluate specific hazard and injury patterns together with potential corrective actions.
- e. The Consumer Product Safety Act provides that "No person shall be subject to civil liability to any person (other than the Commission or the United States) for disclosing information at the request of the Commission." 15 U.S.C. 2076(d).

5. OBJECTIVES

To provide the Commission with timely reports of consumer product-related injuries/deaths from the statistically selected hospitals that comprise the National Electronic Injury Surveillance System (NEISS). The reports, which provide the Commission the means for generating injury estimates of emergency visits for the United States and its territories, are used by the Commission: (1) to study, analyze and investigate injuries associated with consumer products; (2) to evaluate the effectiveness of regulations and standards, voluntary and mandatory, and other Commission actions (education programs, recalls, etc.), and (3) to ascertain trends concerning new hazard/injury patterns.

6. PERFORMANCE WORK STATEMENT

Independently, and not as an agent of the U.S. Consumer Product Safety Commission (CPSC), the Contractor shall provide the personnel and facilities, except as provided in Section 11., GOVERNMENT FURNISHED MATERIALS/EQUIPMENT, necessary to electronically transmit, in a timely manner, not to exceed five days, data on specified cases treated in the Contractor's emergency room.

A. NEISS SURVEILLANCE REPORTS (Items 0001 and 0003)

1. The Contractor shall establish a control system within the hospital to ensure that all patients treated or otherwise processed as emergency room cases are asked to complete the "Authorization to Disclose Information to the United States Consumer Product Safety Commission" consent form. Consent will not be requested for a patient with injuries resulting in death and dead-on-arrival cases. Reportable cases where consent has been received will be reported to CPSC in the detail specified herein.
2. The Contractor will provide data as specified in this Performance Work Statement for cases with signed Authorizations. The Contractor will not provide data for cases without signed Authorizations. The Contractor will not provide data for dead-on-arrival cases.

3. The Contractor shall review the hospital emergency case records in a timely manner, not to exceed five (5) days, and code "in-scope" cases as defined by the NEISS Coding Manual provided by the Government, and other categories of cases that CPSC may add on behalf of other Federal agencies.
4. The Contractor shall enter the coded information from the "in-scope" emergency department(s) cases to CPSC, in a timely manner, but not to exceed five (5) days, into a microcomputer. Cases treated on weekends and Federal holidays shall be transmitted on the next regular working day. Transmission shall be via a microcomputer supplied by CPSC and in accordance with the procedures specified by the CPSC. CPSC will provide training and guidance on how to enter the data.
5. When the Contractor is notified by CPSC, by telephone or microcomputer, that a specific transmitted case is one of the occasional cases selected for a follow-up inquiry, if prior consent from the patient has been received, the Contractor shall supply the name, address and telephone number of the patient to the CPSC representative. No additional payment will be made to the Contractor for supplying this information. Follow-up inquiries will be performed by telephone or in person by representatives of CPSC or other Federal agencies. Such inquiries will only be performed on a small fraction of the Contractor's reported injury cases, i.e., approximately 1%. Patient identification information provided to CPSC will only be supplied to trained interviewers to permit them to gather additional etiologic or epidemiologic data about selected cases from the patient, relatives, or other individuals who might be aware of the detailed circumstances surrounding an injury. CPSC will keep the information as to identity of the victim confidential and remove patient identification information from all reports and documents maintained by CPSC. CPSC will not provide patient identification information to other agencies.

6. SPECIAL SURVEY REPORTS

CPSC may, from time to time, request the Contractor to temporarily provide additional information beyond that specified in the NEISS Coding Manual, (e.g., type of fireworks involved) in support of a special survey, but only if the additional information does not change the de-identified nature of the patient information. Not more than eight (8) special surveys will be conducted by CPSC during a one-year period and each survey will normally run for a one-month period. Cases identified as part of special surveys will not constitute more than 5 percent of the total product-related cases to be reported by the Contractor during the performance period. Instructions pertaining to each special survey will be sent to the Contractor approximately two (2) weeks in advance of each survey. Patient identification will not be required except for occasional cases selected for a follow-up inquiry as described in 6.A.5. CPSC will reimburse the Contractor for these special survey reports at the same price as regular Surveillance Reports.

7. ALL TRAUMA REPORTING

- a) In order to provide information on ALL trauma injury cases seen/treated in the emergency department, the definition of in-scope cases is hereby broadened (see 4.b.), Supplemental Surveillance Reports).
- b) The Contractor shall report ALL trauma injury cases seen/ treated in the emergency department, as described in the attached sheet entitled "Expanded National Electronic Injury Surveillance System (NEISS) Reporting Rule".

B. SUPPLEMENTAL/SPECIAL STUDY REPORTS (Line items 0002 and 0004)

1. The Commission may enter into formalized agreements with other Federal agencies to collect and assemble information through the NEISS to carry out special inquiries on injuries that would be of particular interest to the other agency, i.e., assaults, adverse drug effects, work-related injuries. In these instances only, the definition of in-scope cases may be broadened and the Contractor shall code and transmit additional cases in accordance with additional coding instructions to be issued by the CPSC Contracting Officer Representative (COR).
2. Such additional cases shall contain the same data elements as required in 6.A., NEISS SURVEILLANCE REPORTS, but these reports may also require some additional data elements, e.g., symptoms, treatment, time of incident. The Contractor will provide this additional information, as it will provide the information required in 6.A., for cases for which patient consent has been received. The reporting of these additional data elements for such "special study" type cases will require an estimated 25% more time per case than NEISS Surveillance Reports.

C. ORIENTATION AND TRAINING

CPSC will provide NEISS orientation and training to all involved Contractor personnel. CPSC will also provide technical instructions on case selection, coding, and reporting. The Contractor shall make available his/her personnel for basic training not to exceed 32 hours immediately after contract award and as personnel are replaced. This training will be provided at a site within the geographical area covered by the Contractor. The personnel responsible for coding and transmitting will be required to attend brief training seminars at a location other than their geographical area. Since these training seminars are designed to enhance the NEISS coder's reporting knowledge and skills, exemption from attendance will only be permitted for health or other significant reasons. Prior to such training seminars, the Contractor shall be notified in advance with specific details. CPSC will reimburse the Contractor for actual travel costs not to exceed those specified in the Federal Travel Regulations.

D. PERIODIC MEETINGS

The Contractor staff assigned to this contract shall arrange periodic meetings, at least monthly, with hospital emergency room and other

staff involved with the injury surveillance activity in order to promote effective injury reporting and awareness of product safety issues. Such meetings shall be planned and implemented in coordination with the hospital administration.

E. CONTRACTOR PERSONNEL

1. The Contractor shall be responsible for the continued and timely reporting of data as described in this document. Toward this end, the Contractor shall provide for back-up personnel to assume the function of NEISS reporting in the absence of the Contractor's regular designated personnel.
2. All Contractor personnel shall comply with the mandatory drug testing requirements of the hospital at which they are performing.

F. MICROCOMPUTER INSTALLATION

CPSC will provide the Contractor with a microcomputer. If necessary, the Contractor shall arrange with local companies for the services or equipment specified by the CPSC Project Officer for connecting the computer to the internet. CPSC will reimburse the Contractor for the cost of installing or maintaining such services, if not already installed.

G. MONTHLY RECURRING COMMUNICATION CHARGES

The microcomputer can be connected to an existing internet service. If the Contractor and CPSC jointly agree that it is necessary to install a new service for this purpose, then CPSC will reimburse the Contractor for the actual monthly recurring charges.

H. SUPPLIES AND REPAIRS TO MICROCOMPUTER

1. The Contractor shall contact CPSC for all necessary supplies and repairs to the microcomputer. The Contractor will not be reimbursed for supplies and repairs acquired at the Contractor's own expense from private concerns unless the Contracting Officer approves such purchases or services in advance.
2. If necessary, the Contractor may be required to package and ship the computer to a designated place for repairs. In such event, CPSC will provide a replacement computer and pay for packaging materials and shipping costs at no expense to the Contractor.

7. PERIOD OF PERFORMANCE

- A. Base Contract: Performance of work shall begin April 1, 2013, and shall not extend beyond June 30, 2013.
- B. Option 1: Performance of work shall begin July 1, 2013, and shall not extend beyond June 30, 2014.

8. PERFORMANCE ASSESSMENT, PERFORMANCE STANDARDS AND INCENTIVES

A. MINIMUM STANDARDS - The Contractor shall meet the following standards:

- (1) Average lag between treatment and collection date shall not exceed five (5) days. Adjustment may be made for record access delay if confirmed and acceptable to CPSC.
- (2) Percent of cases with error messages shall not exceed 5%.
- (3) All treatment dates shall be accounted for with adequate number of cases reported or message that no in-scope cases were found.

B. OUTSTANDING STANDARDS - Outstanding performance is defined as meeting all of the following standards (for cases reported) for each month:

- (1) Average lag between treatment and collection date does not exceed three (3) days. (Adjustment may be made for record access delay if confirmed and acceptable to CPSC.)
- (2) Percent of cases with error messages did not exceed 3%.
- (3) All treatment dates were accounted for with adequate number of cases reported or message that no in-scope cases were found.

C. INCENTIVES - The Contractor will receive a bonus of 10 percent of the month's bill (for cases reported) for each month the Contractor has met all requirements of Outstanding Performance.

D. Evaluation of performance will be made by CPSC one month after the end of each quarter.

9. ACCEPTANCE OF DATA

- A. All data submitted to CPSC under this contract will be reviewed and edited by Commission personnel in the Division of Hazard and Injury Data Systems, Directorate for Epidemiology.
- B. Acceptance or rejection of data submitted will be based on conformance with the NEISS Coding Manual or other coding instructions issued by CPSC, and the Performance Work Statement.
- C. Notice of approval/rejection will be transmitted by the CPSC Project Officer to the Contractor within five (5) working days after date of receipt. The Contractor shall correct and resubmit any rejected data to CPSC within three (3) working days after notice of rejection at no additional cost to the Government.

10. BILLING INSTRUCTIONS

Pursuant to the Prompt Payment Act (P.L. 97-177) and the Prompt Payment Act Amendments of 1988 (P.L. 100-496) all Federal agencies are required to pay their bills on time, pay interest penalties when payments are made late, and to take discounts only when payments are made within the discount period. To assure compliance with the Act, vouchers and/or invoices shall be submitted on any acceptable invoice form which meets the criteria listed below. Examples of government vouchers that may be used are the Public

Vouchers for Purchase and Services Other Than Personal, SF 1034, and Continuation Sheet, SF 1035. At a minimum, each invoice shall include:

1. The name and address of the business concern (and separate remittance address, if applicable).
2. Do NOT include Taxpayer Identification Number (TIN) on invoices sent via e-mail.
3. Invoice date.
4. Invoice number.
5. The contract or purchase order number (see block 2 of OF347 and block 4 of SF1449 on page 1 of this order), or other authorization for delivery of goods or services.
6. Description, price and quantity of goods or services actually delivered or rendered.
7. Shipping cost terms (if applicable).
8. Payment terms.
9. Other substantiating documentation or information as specified in the contract or purchase order.
10. Name, title, phone number and mailing address of responsible official to be notified in the event of a deficient invoice.

ORIGINAL VOUCHERS/INVOICES SHALL BE SENT TO:

U.S. Mail

Oklahoma City, OK. 73169

OR

Via email to:

9-AMC-AMZ-CPSC-Accounts-Payable@faa.gov

Invoices not submitted in accordance with the above stated minimum requirements will not be processed for payment. Deficient invoices will be returned to the vendor within seven days or sooner. Standard forms 1034 and 1035 will be furnished by CPSC upon request of the contractor.

Inquiries regarding payment should be directed to the Enterprise Service Center (ESC), Office of Financial Operations, Federal Aviation Administration (FAA) in Oklahoma City, OK, (405) 954-7467.

PAYMENT

Payment will be made as close as possible to, but not later than, the 30th day after receipt of a proper invoice as defined in "Billing Instructions," except as follows:

When a time discount is taken, payment will be made as close as possible to, but not later than, the discount date. Discounts will be taken whenever economically justified. Otherwise, late payments will include interest penalty payments. Inquiries regarding payment should be directed to Debbie Young at (405) 954-7467 or at the U.S. Mail and Fedex addresses listed above:

Complaints related to the late payment of an invoice should be directed to Eldona Canterbury at the same address (above) or (405) 954-5351.

Customer Service inquiries may be directed to Adriane Clark at AClark@cpsc.gov.

11. GOVERNMENT FURNISHED MATERIALS/EQUIPMENT

- A. The Government will furnish to the Contractor for use in connection with this contract the materials set forth below:

NEISS Coding Manual (January, 2011)
NEISS Coding Sheets (Revised January, 2000)
Special Survey Instructions, as necessary
Additional Supplemental Surveillance
Instructions, as necessary
Any revisions to the above materials
Microcomputer

- B. All materials provided hereunder are for exclusive use in performance of this contract. Any such material not expended in performance of this contract shall be returned to CPSC upon completion of the contract.
- C. All other materials/equipment required in the performance of this contract, shall be furnished by the Contractor.
- D. The Contractor must ensure the physical security of the laptop computer provided by the Government, including use of the lock provided.

12. LOCAL CLAUSES

LC5B CONTRACTING OFFICER REPRESENTATIVE (COR)

The COR has been identified on page one of this document. This individual shall be responsible for performing specific technical and administrative functions, including:

- A. Performing technical evaluation as required;

- B. Assisting the Contractor in the resolution of technical problems encountered during performance; monitoring the Contractor's technical progress, including surveillance and assessment of performance, and notifying the Contracting Officer within one week when deliverables (including reports) are not received on schedule in accordance with the prescribed delivery schedule; and
- C. Inspection and acceptance of all items required by the contract.

The COR, who may be personally liable for unauthorized acts, is not authorized to and shall not:

- A. Make changes in scope of work, contract schedules, and/or specifications, or to make changes that affect price, quality, quantity or delivery.
- B. Direct or negotiate any change in the terms, conditions or amounts cited in the contract;
- C. Make commitments or changes that affect price, or take any action that commits the Government or could lead to a claim against the Government.
- D. This delegation is not redelegable and remains in effect during the period of performance of the contract.
- E. A clear distinction is made between Government and Contractor personnel. No employer-employee relationship will occur between government employees and Contractor employees. Contractor employees must report directly to their company (employer) and shall not report to Government personnel.

LC21A DISCLOSURE OF INFORMATION - LIMITS ON PUBLICATION

- A. The Contractor shall submit to the Commission any report, manuscript or other document containing the results of work performed under this contract, before such document is published or otherwise disclosed to the public, to assure compliance with Section 6(b) of the Consumer Product Safety Act 15 U.S.C. Section 2055(b)), Commission regulations (16 C.F.R. Part 1101), and a Commission directive (Order 1450.2). These provisions restrict disclosure by Commission Contractors of information that (1) permits the public to identify particular consumer products or (2) reflects on the safety of a class of consumer products. Prior submission allows the Commission staff to review the Contractor's information and comply with the applicable restrictions. CPSC should be advised of the Contractor's desire to submit or publish an abstract or a report as soon as practical.
- B. Any publication of, or publicity pertaining to, the Contractor's document shall include the following:

"This project has been partially funded with federal funds from the United States Consumer Product Safety Commission under this contract. The content of this publication does not necessarily reflect the views of the Commission,

nor does mention of trade names, commercial products, or organizations imply endorsement by the Commission."

LC24 NONDISCLOSURE OF ANY DATA DEVELOPED UNDER THIS CONTRACT

The Contractor agrees that it and its employees will not disclose any data obtained or developed under this contract to third parties without the consent of the U. S. Consumer Product Safety Commission Contracting Officer.

LC31 RESTRICTIONS ON USE OF INFORMATION

- a. If the Contractor, in the performance of this contract, obtains access to information such as CPSC plans, reports, studies, data projected by the Privacy Act of 1974 (5 U.S.C. 552a), or personal identifying information which has not been released or otherwise made public, the Contractor agrees that without prior written approval of the Contracting Officer it shall not: (a) release or disclose such information, (b) discuss or use such information for any private purpose, (c) share this information with any other party, or (d) submit an unsolicited proposal based on such information. These restrictions will remain in place unless such information is made available to the public by the Government.
- b. In addition, the Contractor agrees that to the extent it collects data on behalf of CPSC, or is given access to, proprietary data, data protected by the Privacy Act of 1974, or other confidential or privileged technical, business, financial, or personal identifying information during performance of this contract, that it shall not disclose such data. The Contractor shall keep the information secure, protect such data to prevent loss or dissemination, and treat such information in accordance with any restrictions imposed on such information.
- c. The Contractor must have, subject to patent, data, and security provisions of this contract, the right to use technical data it first produces under this contract for its private purpose provided that, as of the date of such use, all reporting requirements of this contract have been met.

LC35 NOT TO EXCEED

This contract is issued on a "NOT TO EXCEED" basis because it is not possible to determine the exact quantities/services that will be required during performance of the contract. The total expended amount under the contract shall not exceed the grand total of the not to exceed amount indicated by the applicable line item, nor is the Contractor entitled to perform work and expect reimbursement beyond that amount, without approval of the Contracting Officer. The Project Officer must provide the Contracting Officer with a revised quantity, "Not to Exceed" total, and funding to process a modification to the contract. The Contractor is not authorized to invoice and/or receive payment for additional work above the specified contract total without receipt of a formal, written modification to the contract.

13. SPECIAL CLAUSES

PRIVACY ACT

This contract does not require the Contractor to maintain a system of records as defined in the Privacy Act of 1974. More specifically, the Contractor is not required to, and agrees not to, maintain any system of records for or on behalf of the U.S. Consumer Product Safety Commission, in which any records or any personal data are indexed by, or retrieved by, a person's name, social security number, or any other unique identification.

SEAT BELT USE

In an effort to reduce deaths and injuries resulting from motor vehicle accidents, President Clinton has issued Executive Order 13043 requiring the use of seat belts by federal employees while on official government business. The Executive Order also encourages federal contractors, subcontractors, and grantees to adopt and enforce on-the-job seat belt policies and programs for their employees when operating government-owned or leased vehicles, company-owned, rented, or personally-owned vehicles.

52-217-08 OPTION TO EXTEND SERVICES (Nov 1999)

The Government may require continued performance of any services at the rates specified in the contract. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 30 days before the contract is to expire.

52.217-09 OPTION TO EXTEND THE TERM OF THE CONTRACT (Mar 2000)

- (a) The Government may extend the term of this contract by written notice to the Contractor within fifteen (15) days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least thirty (30) days before the contract expires. The preliminary notice does not commit the Government to an extension.
- (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed two (2) years and six (6) months.

52.232-18 AVAILABILITY OF FUNDS (Apr 1984)

Funds are not presently available for this contract. The Government's obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise

until funds are made available to the Contracting Officer for this contract and until the Contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

52.204-7 CENTRAL CONTRACTOR REGISTRATION (Apr 2008)

(a) Definitions. As used in this clause-

"Central Contractor Registration (CCR) database" means the primary Government repository for Contractor information required for the conduct of business with the Government.

"Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

"Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see the FAR at Subpart 32.11) for the same concern.

"Registered in the CCR database" means that-

(1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and

(2) The Government has validated all mandatory data fields, to include validation of the Taxpayer Identification Number (TIN) with the Internal Revenue Service (IRS), and has marked the record "Active". The Contractor will be required to provide consent for TIN validation to the Government as a part of the CCR registration process.

(b)(1) By submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the CCR database prior to award, during performance, and through final payment of any contract, basic agreement, basic ordering agreement, or blanket purchasing agreement resulting from this solicitation.

(2) The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS +4" followed by the DUNS or DUNS +4 number that identifies the offeror's name and address exactly as stated in the offer. The DUNS number will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

(c) If the offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one.

(1) An offeror may obtain a DUNS number-

(i) Via the Internet at <http://fedgov.dnb.com/webform> or if the offeror does not have internet access, it may call Dun and Bradstreet at 1-866-705-5711 if located within the United States; or

(ii) If located outside the United States, by contacting the local Dun and Bradstreet office. The offeror should indicate that it is an offeror for a U.S. Government contract when contacting the local Dun and Bradstreet office.

(2) The offeror should be prepared to provide the following information:

- (i) Company legal business.
- (ii) Tradestyle, doing business, or other name by which your entity is commonly recognized.
- (iii) Company Physical Street Address, City, State, and ZIP Code.
- (iv) Company Mailing Address, City, State and ZIP Code (if separate from physical).
- (v) Company Telephone Number.
- (vi) Date the company was started.
- (vii) Number of employees at your location.
- (viii) Chief executive officer/key manager.
- (ix) Line of business (industry).
- (x) Company Headquarters name and address (reporting relationship within your entity).

(d) If the Offeror does not become registered in the CCR database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror.

(e) Processing time, which normally takes 48 hours, should be taken into consideration when registering. Offerors who are not registered should consider applying for registration immediately upon receipt of this solicitation.

(f) The Contractor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(g)

(1)

(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of Subpart 42.12 of the FAR; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of

Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(2) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (see FAR Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the CCR database. Information provided to the Contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(h) Offerors and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.ccr.gov> or by calling

14.52.212-4 Contract Terms and Conditions—Commercial Items. (JUNE 2010)

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) *Disputes.* This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613). Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) *Invoice.*

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include—

(i) Name and address of the Contractor;
(ii) Invoice date and number;
(iii) Contract number, contract line item number and, if applicable, the order number;
(iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;
(v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on Government bill of lading;
(vi) Terms of any discount for prompt payment offered;
(vii) Name and address of official to whom payment is to be sent;
(viii) Name, title, and phone number of person to notify in event of defective invoice; and
(ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.

(x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (*e.g.*, 52.232-33, Payment by Electronic Funds Transfer—Central Contractor Registration, or 52.232-34, Payment by Electronic Funds Transfer—Other Than Central Contractor Registration), or applicable agency procedures.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment regulations at 5 CFR Part 1315.

(h) *Patent indemnity.* The Contractor shall indemnify the Government and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payment.*—

(1) *Items accepted.* Payment shall be made for items accepted by the Government that have been delivered to the delivery destinations set forth in this contract.

(2) *Prompt payment.* The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR Part 1315.

(3) *Electronic Funds Transfer (EFT).* If the Government makes payment by EFT, see 52.212-5(b) for the appropriate EFT clause.

(4) *Discount.* In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date which appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(5) *Overpayments.* If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall—

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—

(A) Circumstances of the overpayment (*e.g.*, duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected contract line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) *Interest.*

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in Section 611 of the Contract Disputes Act of 1978 (Public Law 95-563), which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) *Final decisions.* The Contracting Officer will issue a final decision as required by 33.211 if—

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see 32.607-2).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

(j) *Risk of loss.* Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes.* The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the Government's convenience.* The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to

provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title*. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty*. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability*. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Other compliances*. The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.

(r) *Compliance with laws unique to Government contracts*. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, et seq., Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58, Anti-Kickback Act of 1986; 41 U.S.C. 265 and 10 U.S.C. 2409 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. 423 relating to procurement integrity.

(s) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services.

(2) The Assignments, Disputes, Payments, Invoice, Other Compliances, and Compliance with Laws Unique to Government Contracts paragraphs of this clause.

(3) The clause at 52.212-5.

(4) Addenda to this solicitation or contract, including any license agreements for computer software.

(5) Solicitation provisions if this is a solicitation.

(6) Other paragraphs of this clause.

(7) The Standard Form 1449.

(8) Other documents, exhibits, and attachments.

(9) The specification.

(t) Central Contractor Registration (CCR).

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of Subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer.

The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or

change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the CCR database. Information provided to the Contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.ccr.gov> or by calling 1-888-227-2423 or 269-961-5757.

___ (8) 52.237-11, Accepting and Dispensing of \$1 Coin (Sept 2008) (31 U.S.C. 5112(p)(1)).

(d) *Comptroller General Examination of Record*. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, and does not contain the clause at 52.215-2, Audit and Records—Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR Subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial items. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause—

(i) 52.203-13, Contractor Code of Business Ethics and Conduct (Apr 2010) (Pub. L. 110-252, Title VI, Chapter 1 (41 U.S.C. 251 note)).

(ii) 52.219-8, Utilization of Small Business Concerns (Dec 2010) (15 U.S.C. 637(d)(2) and (3)), in all subcontracts that offer further subcontracting opportunities. If the subcontract (except subcontracts to small business concerns) exceeds \$650,000 (\$1.5 million for construction of any public facility), the subcontractor must include 52.219-8 in lower tier subcontracts that offer subcontracting opportunities.

(iii) [Reserved]

(vii) 52.222-40, Notification of Employee Rights Under the National Labor Relations Act (Dec 2010) (E.O. 13496). Flow down required in accordance with paragraph (f) of FAR clause 52.222-40.

(viii) 52.222-41, Service Contract Act of 1965 (Nov 2007) (41 U.S.C. 351, et seq.).

(ix) 52.222-50, Combating Trafficking in Persons (Feb 2009) (22 U.S.C. 7104(g)).

___ Alternate I (Aug 2007) of 52.222-50 (22 U.S.C. 7104(g)).

(x) 52.222-51, Exemption from Application of the Service Contract Act to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Requirements (Nov 2007) (41 U.S.C. 351, et seq.).

(xi) 52.222-53, Exemption from Application of the Service Contract Act to Contracts for Certain Services-Requirements (Feb 2009) (41 U.S.C. 351, et seq.).

(xii) 52.222-54, Employment Eligibility Verification (JAN 2009).

(xiii) 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations (Mar 2009) (Pub. L. 110-247). Flow down required in accordance with paragraph (e) of FAR clause 52.226-6.

(xiv) 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels (Feb 2006) (46 U.S.C. Appx. 1241(b) and 10 U.S.C. 2631). Flow down required in accordance with paragraph (d) of FAR clause 52.247-64.

(2) While not required, the contractor may include in its subcontracts for commercial items a minimal number of additional clauses necessary to satisfy its contractual obligations.
