

# Carbon Monoxide Warning!

- Protect yourself and your family from carbon monoxide poisoning (called CO) when using portable generators and pressure washers.
- CO cannot be seen or smelled, but it can kill you or make you sick.
- Install a battery-operated CO alarm near the bedrooms.

*Recommendations from the  
Centers for Disease Control and  
Prevention*

# Carbon Monoxide Warning!

(CO, carbon monoxide, is a poisonous gas)

## BE SAFE:

- ✓ Never use the generator indoors or in a garage, carport, or basement.
- ✓ Put the generator outside and away from doors, windows, and vents.
- ✓ Read product directions for other safety tips.
- ✓ Chain the generator to a tree or other fixed object to prevent theft.
- ✓ Symptoms of CO poisoning:

**Headache**

**Confusion**

**Fatigue**

**Seizures**

**Dizziness**

**Loss of consciousness**

**Nausea/vomiting**

**Death**

***Get out of the house and seek medical help immediately if you or a family member have these symptoms!***
