

**U.S. CONSUMER PRODUCT SAFETY COMMISSION
2009 BUY AMERICAN ACT REPORT**

Pursuant to Public Law 110-28, Section 8306, the following information constitutes the U.S. Consumer Product Safety Commission's FY 2009 report to Congress:

- (A) Dollar value of any articles, materials, or supplies that were manufactured outside the United States: \$0.00.
- (B) An itemized list of all waivers granted with respect to such articles, materials, or supplies under this Act, and a citation to the treaty, international agreement, or other law under which each waiver was granted: Not Applicable;
- (C) If any articles, materials, or supplies were acquired from entities that manufacture articles, materials or supplies outside the United States, the specific exception used to purchase such articles, materials, or supplies: Not Applicable; and
- (D) A summary of -
 - (i) The total procurement funds expended on articles, materials, and supplies manufactured in the United States: \$3,765,794.43 and
 - (ii) The total procurement funds expended on articles, materials, and supplies manufactured outside the United States: \$0.00.

We purchase most of our goods and services through the General Service Administration's (GSA) Federal Supply Schedules. As vendors make their Buy American Act certifications directly to GSA under their Federal Supply Schedule contracts, GSA reports information about the country of origin for those products. The data for this report comes from GSA's Federal Procurement Data System – Next Generation.
