

Manufacturer: Kerr Group Inc., (a subsidiary of Berry Plastics Corporation)
Model: Friendly & Safe
ASTM Type: IIA

Description:

This is a one-piece plastic lug-bayonet closure (Figure 1). The closure is opened by pushing down on the closure and simultaneously turning it counterclockwise.

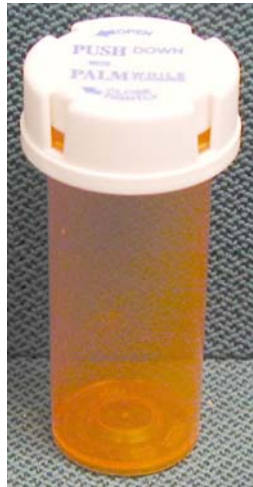

Figure 1

The interior of the closure has 4 lugs (shown with arrows in Figure 2A) which are 90° apart. The 4 lugs fit into the four “L” shaped bayonets on the container neck (Figure 2B) to keep the package closed. (Note: the number of lugs and bayonets varies with package size)
