

Manufacturer: MeadWestvaco Healthcare Packaging
Model: Perfpak
ASTM Type: VIIIJ

Description:

This is a semi-rigid blister non-reclosable package (Figures 1 and 2). There is a cover over the front of the card (Figure 1). The front of the card covers each tablet with a clear semi-rigid plastic film (Figure 2).

Figure 1

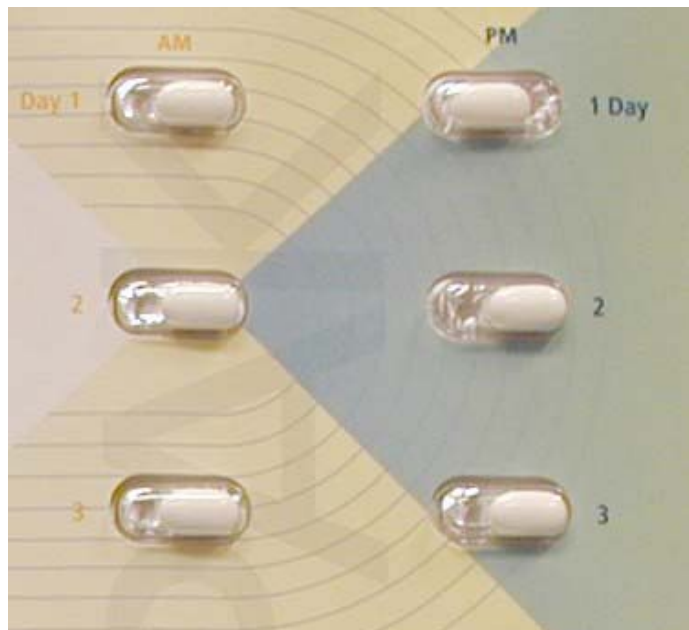

Figure 2

The back of the card is a 2-layer paper (shown with black arrows) and foil (shown by a blue arrow) combination (Figure 3).

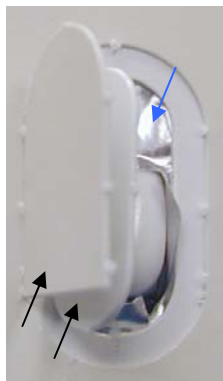

Figure 3

The package is opened by peeling off the first layer of cardboard backing (Figure 4A). The tablet is then pushed through the perforated cardboard (Figure 4B) and the foil backing (Figure 4C) out the back of the card.
