WCMA Technical Committee Meeting
Wednesday, March 4, 2009
11:00 am-1:00 pm ET

Web Conference

Minutes

I. Call to Order

The meeting was called to order at 11:05 a.m. ET.

II. Review of antitrust guidelines

The antitrust guidelines governing the meeting were reviewed.

III. Approval of the Meeting Minutes 12/12/2008

The meeting minutes from 12/12/2008 were approved with a minor editorial change.

Caroleene Paul advised Rana Balci-Sinha will assume CPSC WCMA responsibilities.

IV. ANSI/WCMA A100.1-2009 (PS)

- Approval summary

Michael Tierney explained how the provisional standard was processed and approved in accordance with the ANSI Essential Requirements Annex B. Comments submitted with concurring and abstaining votes will now be considered with the resumption of the processing of Draft F.

- Comments (CPSC, Dekor, Hunter Douglas, Health Canada)

Michael Tierney will circulate the next draft for review prior to the next meeting.

- Web purchase availability

The provisional standard has been made available online and print versions will be available April 1.

- Revision timeline

A web meeting will be scheduled for April 16, 2009 to continue the standard revision process. Additional proposals are welcomed and should be submitted prior to the meeting.

V. NFRC update

Mike Cienian updated the committee on the efforts to develop energy star ratings for window coverings through the NFRC. Input is encouraged from manufacturers to help with the development of Berkeley Lab simulations that will calculate energy efficiency based on attributes such as material and color for a web conference to be held in the next few weeks.

VI. Old Business

There was no old business.

VII. New Business

There was no new business.

VIII. Next Meeting and Adjournment

The next meeting will be scheduled for April 16, 2009 at 1:00 p.m. ET. The meeting was adjourned.
