Re: ANSI / ROHVA 1-201X Voluntary Standard

Dear Mr. Kumagai:

In light of the recent and productive meetings between U.S. Consumer Product Safety Commission staff and members of the Recreational Off-Highway Vehicle Association (ROHVA), and in anticipation of further discussions, the ROHVA Board of Directors has voted to open the ANSI / ROHVA 1-2014 voluntary standard. The PINS Standard Action Request Form was submitted to ANSI today. I look forward to our continued joint efforts.

Sincerely,

Erik Pritchard
