SUBJECT: Recreational Off-Highway Vehicles (ROVs) – Meeting requested by the Recreational Off-Highway Vehicle Association (ROHVA) to present vehicle dynamics technical opinions to the CPSC staff.

DATE OF MEETING: November 3, 2009

DATE OF LOG ENTRY: November 4, 2009

SOURCE OF LOG ENTRY: Anthony Teems, ESME

LOCATION: CPSC, Bethesda, MD

CPSC ATTENDEES: See attendance list page 2.

NON-CPSC ATTENDEES: See attendance list page 2.

SUMMARY OF MEETING:

- The meeting commenced at 1:00 pm.
- Mark Kumagai, CPSC/ESME – Opening comments and introduction of Paul Vitrano representing ROHVA.
- Paul Vitrano, ROHVA – Opening comments and introduction of John Zellner of Dynamic Research, Inc. (DRI).
- John Zellner, DRI – Summary presentation of a report previously provided to the CPSC staff. The report, titled “Review of CPSC Staff’s Comments on First Ballot of ANSI-ROHVA Standard”, provided Mr. Zellner’s opinions on various aspects of vehicle dynamics as they relate to the subject vehicles. CPSC staff asked questions during the presentation and representatives of ROHVA responded.
- Question and Answer Session – CPSC staff asked several questions regarding steering characteristics, lateral stability, and test requirements. ROHVA representatives responded to questions and provided comments.
- The meeting closed at 2:05 pm.
