

LOG OF MEETING

DATE: December 7, 2009

LOCATION: CPSC, 4330 East West Highway, Bethesda, MD 20814

SUBJECT: Courtesy Call: Jim Thomas, President and Len Morrissey, both from ASTM International, with Chairman Inez Tenenbaum, Commissioner Robert Adler, and CPSC staff

ATTENDEES: James Thomas, President ASTM International; Len Morrissey, Staff Manager, F15 Committee on Consumer Products, ASTM International

Inez Tenenbaum, Chairman, CPSC; Rebecca Senhauser, Chief-of-staff; Commissioner Robert Adler; Jason Levine, Commissioner Adler's staff; Jana Fong-Swamidoss, Office of Congressional Relations, and; Colin Church, Office of the Executive Director

MEETING HIGHLIGHTS: Discussions focused on how ASTM International and CPSC can work together to enhance consumer product safety. Attention was given to expediting an effective and timely revision of the full-size crib safety standard (ASTM F1169) and CPSC mandatory rulemaking on cribs. Other discussion topics included drywall off-gassing and toys.
