**ORDER REGARDING MOTIONS**

On February 11, 2014, Counsel for Craig Zucker submitted a letter to the undersigned (attached). The letter indicates a copy was served on counsel of record for all parties in the above-captioned proceeding. However, the letter does not contain a Certificate of Service, and it is unclear whether a copy of the letter was filed with the Secretary, as required. 16 C.F.R. § 1025.14(a) (“...all documents submitted to the Commission or the Presiding Officer shall be addressed to, and filed with, the Secretary.”).

To ensure all filings are made part of the record, and to eliminate any potential confusion, all requests for relief from the Presiding Officer shall be filed in the form of a proper Motion. See 16 C.F.R. § 1025.23(b).

Re: In the Matter of Maxfield and Oberton Holdings, LLC, CPSC Docket No. 12-1,  
12-2 and 12-3

Dear Judge Metry:

As you know, I represent Craig Zucker, Respondent in CPSC Docket 12-1.

Yesterday, Complaint Counsel filed Complaint Counsel's Opposition to Respondent Craig Zucker's Motion for Protective Order.

In light of the arguments made in the Opposition, I would like the opportunity to file a reply. Consequently, I will be filing a motion for leave to file a reply pursuant to 16 C.F.R. § 1025.3223(c), to which I will append my proposed reply.

I respectfully request that you defer ruling on the motion for ten (10) days to provide me an opportunity to file my motion and proposed reply.

Thank you for your consideration.

Sincerely,

Timothy L. Mullin, Jr.
