**COMPLAINT COUNSEL'S RESPONSE TO NOVEMBER 26, 2013,
SHOW CAUSE ORDER**

On November 26, 2013, this Court asked Complaint Counsel to show cause why Complaint Counsel's November 15, 2013, Joint Motion to Extend the Time for Exchanging List of Expected Expert Witnesses filed in Docket 12-1, and unopposed Motion to Extend the Time for Exchanging List of Expected Expert Witnesses filed in Dockets 12-2 and 13-2, were filed *in camera* and why they should not be made part of the public record.

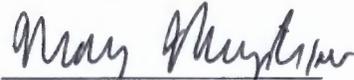

Complaint Counsel had initially filed these motions *in camera* because Complaint Counsel and one of the Respondents were discussing the possibility of a settlement. The Rules provide that offers of settlement shall be filed *in camera*, 16 C.F.R. § 1025.26(b), and in turn limit "[r]eference to *in camera* materials" by requiring that "all parties shall refrain from disclosing specific details of *in camera* materials." 16 C.F.R. § 1025.45(f). To limit references to a possible offer of settlement, including the identity of any

Respondent that could be a party to such an offer of settlement, the motions were filed *in camera*.

Because settlement negotiations have terminated, Complaint Counsel now agrees that such motions need not be filed *in camera* and that the motions should be made part of the public record. Complaint Counsel has conferred with counsel for Respondents Craig Zucker, Zen Magnets, LLC, and Star Networks USA, LLC, and advised the parties that Complaint Counsel agrees that the motions need not be filed *in camera*. Counsel for these Respondents do not oppose our filing.

Moreover, Complaint Counsel no longer believes that any additional time is needed before providing its expert witness list and is providing its List of Experts to Counsel for the Respondents today.

Respectfully submitted,
