CPSC Docket No. 22-1

HON. MICHAEL G. YOUNG  
PRESIDING OFFICER

**ORDER ON PREHEARING SCHEDULE**

This matter, having come before me on the Parties' Joint Proposed Revised Prehearing Schedule, dated September 14, 2022, and for good cause having been found to adopt the proposed schedule, on this 16th day of September, 2022,<sup>1</sup>

IT IS HEREBY ORDERED THAT the following deadlines are established:

<b>Event</b>	<b>Deadlines</b>
Responses to First Set of Requests for Production of Documents and First Set of Interrogatories, including revised privilege log(s)	October 3, 2022
Last day to serve any written discovery requests	February 2, 2023
Fact Discovery closes (pending motions to compel)	March 20, 2023
Responses to Expert Interrogatories under 16 C.F.R. § 1025.31(c)(4)(i)(A) and Expert Witness Direct Testimony under 16 C.F.R. § 1025.44(b) and Discovery Deadline (pending motions to compel)	April 28, 2023
Motions for Summary Decision	June 9, 2023

<sup>1</sup> The hearing in this matter was originally scheduled for June 5, 2023. After the hearing date was set, the parties were engaged in a discovery dispute, and new counsel entered an appearance on behalf of Respondent. The parties volunteered to work cooperatively on a new schedule and to commit to the efficient resumption and completion of discovery, and proposed a new hearing date of August 14. In light of the significant pretrial activities, the appearance of new counsel, and the justification provided by counsel for the new date, I have determined that the requested hearing date is appropriate.
