Order Regarding Stipulations

The parties filed stipulations agreeing, for the purposes of this proceeding only, that the three products identified in the complaint meet the requirements for a substantial product hazard under 15 U.S.C. § 2064(a)(1), (a)(2), or (j). I accept the stipulations.

Complaint counsel also filed a proposed order making findings of fact and conclusions of law based on these stipulations. Because I will make all necessary findings of fact and conclusions of law together with my decision, I decline to issue the proposed order at this time.
