### Office of Commissioner Trumka

**Subject:** Public Meeting: Commissioner Trumka and his staff met with Brett Horn to discuss NPR on disclosure of interests in Commission Proceedings

**Date of Meeting:** November 13, 2023

**Place of Meeting:** Videoconference

**Log Entry Source:** Robin Lipp

**Commission Attendees:** Robin Lipp, Kaylee Niemasik, Rich Trumka

**Non-Commission Attendees:** Brett Horn; Trista Hamsmith and Ed Krenik (Bracewell) attended as observers.

#### **Summary of the Meeting:**

Brett Horn expressed concerns about CPSC's open rulemaking to require disclosure of interests in Commission proceedings, including the possibility that formal written disclosures could deter some consumers from presenting information to the Commission and the possibility that the proposed amount of disclosure would be insufficient to detect conflicts of interest. Commissioner Trumka and staff encouraged Mr. Horn to submit comments expressing his concerns and, if possible, sharing ideas for improvement.
